Mr T. Ramachandra Rao, Magadi Taluk.

Summary of Representation.—(*a*) The system of granting unassessed gomal and other lands for temporary cultivation which was in vogue for the last three years was very beneficial to poor raiyats. As the term of such grant is coming to a close, it is requested that either the period may be extended or the system made permanent.

(*b*) The Amrut Mahal Kaval and other lands recently thrown open for cultivation, may not be sold by auction but given to poor raiyats either at upset price or free of cost and thus their condition improved.

Mr P. Murugesam Pillay, Adi Dravida Abhivriddhi Sangham, Bangalore.
